

2020 VISION

PASTOR TIMOTHY GREEN

Do you believe that God has a vision for our church? What has to happen before that vision can become a reality? What has to happen is that God's vision for each of us as individuals has to become a reality. When God's will is done in my life and God's will is done in your life, then God's will, will be done in the life of this church.

It's not God's will that we stay the same. God wants each of us to be growing and when we grow, the church grows.

I refuse to be a part of anything that is not growing. I never want to be satisfied with things staying the same.

1 Peter 2:2-5 As newborn babies, desire the sincere milk of the word, that ye may grow thereby: If so be ye have tasted that the Lord is gracious. To whom coming, as unto a living stone, disallowed indeed of men, but chosen of God, and precious, Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.

God wants us as individuals to be lively stones. To make up a spiritual house. To offer up spiritual sacrifices that will be acceptable to God.

Do you want to be acceptable to God? It takes more than just coming to church to be acceptable to God. God wants us doing the work that He saved us to do.

The Bible says that Jesus "went about doing good." He expects us to do the same. He doesn't want us just being concerned about our own needs, He wants us to be concerned about the needs of others as well.

Would you like for God to use you in 2020? He would like that. Are you willing to make yourself available to be used?

My availability gives God opportunity to do a miracle through me.

Miracles come here every week disguised as needs.

Visitors are not really visitors, they are miracles disguised as needs and when we meet the needs of those who walk through our doors, God will use us to perform a miracle in their life.

I'm thankful for what God has done in our past but I'm believing for even greater things in our future!
