

## A WORLD IN CHAOS

PASTOR TIMOTHY GREEN

The word Chaos means complete disorder and confusion. Does that describe the world in which you and I live today? Disorder is everywhere and more people are confused about what to believe today than at any time in our lifetime.

Covid isn't the only deadly virus that is sweeping our country and the world. A much more deadly virus by the name of socialism is also sweeping our country.

From the erosion of free speech and free exercise of religion to the looming threat of a one-world government that allows no opposition, socialism is a force that you and I as Christians must be willing to face head on. Our freedoms and our very lives are at stake.

2 Tim 3:1-5 You should also know this, Timothy, that in the last days there will be very difficult times. For people will love only themselves and their money. They will be boastful and proud, scoffing at God, disobedient to their parents, and ungrateful. They will consider nothing sacred. They will be unloving and unforgiving; they will slander others and have no self-control; they will be cruel and have no interest in what is good. They will betray their friends, be reckless, be puffed up with pride, and love pleasure rather than God. They will act as if they are religious, but they will reject the power that could make them godly. You must stay away from people like that. NLT

Socialism is a myth. The word myth means, "A widely held but false belief or idea." Socialism doesn't work but despite its catastrophic failures, it keeps spreading like a poisonous weed.

Why am I talking about this today? Because these are signs of the times. Socialism is tailor made for the ushering in of the Antichrist. It creates global conditions that bring great stress and trouble and it demands a one-world government which will lead to the last days.

Col 2:8 Don't let anyone lead you astray with empty philosophy and high-sounding nonsense that come from human thinking and from the evil powers of this world, and not from Christ. NLT

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

We live in a world in chaos and it's time for the church to stand up and stand out!
