

BLESSED IS THE NATION WHOSE GOD IS THE LORD – PT.2

PASTOR TIMOTHY GREEN

William Penn wrote these words, “If we will not be governed by God, then we will be ruled by tyrants.”

We are living in a world that doesn't want to be governed by God. There are candidates running for president and vice president in our country who have turned their back on the truth of God's word. Instead of working to pass laws that are in alignment with God's word, they have promised to pass laws that go against God's word.

Christian votes should reflect God's values! It shouldn't matter whose personality you like or don't like, what matters is which candidate best lines up with the word of God.

Which candidate will protect religious freedom?

Which candidate will protect the lives of unborn children?

Which candidate believes that marriage should be between a man and a woman?

Which candidate supports Israel?

Which candidate is for more taxes?

Which candidate is pro-work and against laziness?

Which candidate is for law and order and which candidate is for defunding the police?

As an American, we have the freedom to vote for whosoever we choose, but we do not have the choice of deciding the consequences.

When we go against the word of God, we will suffer the judgment of God!

Prov 14:34 Righteousness exalteth a nation: but sin is a reproach to any people.

Only one factor determines whether a nation rises or falls; Righteousness. Godliness.

Vote for those who believe in God and will make laws in line with God's word.
