

FRIEND DAY
PASTOR TIMOTHY GREEN

Welcome friends! Thank you so much for joining with us today and helping to make this day special. We are honored that you chose to worship with us today and we hope and pray that you will be blessed. If you don't already have a church home, we would love for you to become part of our Cottonwood family.

FRIENDSHIP QUOTES

Friendship is one of the sweetest joys of life. Many might have failed beneath the bitterness of their trial had they not found a friend.

Life without friendship is like the sky without the sun.

Your best friend is the one who brings out the best in you.

A friend is someone who knows all about you and loves you anyway.

A friend is willing to share their heart with you, when others have taken yours out. They put a warm arm around your shoulder after others have given you the cold shoulder. They help put you back on your toes when you're down on your heels. They still say "hello" after all others have said "goodbye."

A friend loveth at all times.

There is a friend that sticketh closer than a brother.

Greater love hath no man than this, that a man lay down his life for his friends.

I'm thankful to know that while we were yet sinners, Christ died for us.

What a friend we have in Jesus!
