

“OUR HEARTS DESIRE”

PASTOR TIMOTHY GREEN

Ps 63:1 O God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is;

I think most of us know what it is to find ourselves in a dry and thirsty land where there is no water. If a person lives long enough, they will probably find themselves going through a desert experience some time or another.

It's one thing to experience the desert, to find ourselves in a dry and thirsty place, but it's something else to live there. I'm not talking about living in New Mexico; I'm talking about living in a dry place spiritually.

God wants us to have an experience with Him. In fact, nothing else in this world will ever satisfy the longing in our soul. God has placed inside of us a place for Him and nothing else can ever fill that space and bring satisfaction to our soul.

Eccl 3:10-11 I have seen the travail, which God hath given to the sons of men to be exercised in it. He hath made everything beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.

God has set the world in our hearts. He has placed eternity there. It is a waste of time and energy and money for us to think that we can find anything other than God to fill the void inside of us.

We all have a desire, a deep longing, for something that we don't yet have. That's normal. It's also good. And it's very important for us to understand this and to not try to satisfy that longing in our soul, with the things of this world, which cannot satisfy us.

There is nothing in this world that can satisfy the soul of man. Why not? Because our souls were not made for this world.

You can't drink enough booze, smoke enough dope or find enough pleasure in the things of this world to ever fill that place inside of you that only God Himself can fill.

Our hearts desire is for that which only Heaven can provide.
