

SPIRITUAL NEARSIGHTEDNESS

PASTOR TIMOTHY GREEN

To be nearsighted means that we have trouble seeing at a distance.

To be nearsighted is not only frustrating it can also be very dangerous.

A person who is nearsighted shouldn't be driving without corrected vision or else they won't be able to see the road signs and recognize in time what they need to see in order to drive safely.

To be physically nearsighted is dangerous but to be spiritually nearsighted is more dangerous still.

The servant to the man of God couldn't see the angelic host that was there to protect them; all he could see was the enemy.

2 Kings 6:17 And Elisha prayed, and said, LORD, I pray thee, open his eyes, that he may see. And the LORD opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha.

Do you need the Lord to open your eyes to some things? Are you spiritually blind?

Hagar didn't know where she was going to find water for her and her son but "God opened her eyes and she saw a well of water."

Balaam was rebellious and going against the word of God and he was blind to the angel of the Lord that was standing in front of him with his sword drawn. "Then the Lord opened the eyes of Balaam and he saw the angel standing in the way with his sword in his hand; and he bowed his head and fell on his face.

The disciples of Jesus were walking and talking with Him, yet they did not know that it was Jesus.

Luke 24:30-31 And it came to pass, as he sat at meat with them, he took bread, and blessed it, and brake, and gave to them. And their eyes were opened, and they knew him; and he vanished out of their sight.

I don't want to be spiritually blind. I don't want my vision to be blurry. I want to have 2020 vision so that I can see everything that God has for me to see and know everything that He desires me to know.

Prayer and fasting will help us have 2020 vision for 2020.
